Parent Teachers Association

Dear Parents,

Our School has been strongly supported by parents since its establishment. This has facilitated our school's development and enabled it to gain a good reputation. I hereby express our deep gratitude to you.

Good guidance of teachers and parental care are the key elements in bringing up a child. Therefore, a number of parents who are enthusiastic about education have spent considerable effort in preparing for the establishment of the "Parent Teachers Association" (PTA) of our School. The aim of the PTA is to help the development of our children through close home-school co-operation and excellent education services.
